

QUICK FACTS FOR STUDENTS

HIGH SCHOOL

Junior Year

Participate in all aspects of the Avenue Scholars (AS) program, including:

- ✓ Completing the AS junior year curriculum
- ✓ Exploring your selected career path through Career Awareness programming (see back for options)
- ✓ Engaging in one-on-one coaching to set and accomplish goals and address barriers identified in a career plan developed with your Career Coach
- ✓ Participating in financial and personal well-being activities
- ✓ Applying for an Intern Omaha internship or other internship/part-time job

Senior Year

Participate in all aspects of the Avenue Scholars (AS) program, including:

- ✓ Completing the AS senior year curriculum
- ✓ Continuing to progress in your career plan through one-on-one coaching
- ✓ Participating in Senior Year Experience programming, which includes either:
 - Classes at Metropolitan Community College or
 - An internship or part-time work in your chosen career pathway
- ✓ Participating in an Intern Omaha internship or other internship/part-time job

AFTER HIGH SCHOOL

- ★ All Avenue Scholars (AS) seniors who complete the AS high school program are entitled to funding of up to \$8,000 (Avenue Horatio Alger Scholarship) and ongoing AS support for education/training after high school*.

- ✓ Pursue one of the following education/ training pathways:
 - Certification or Associate Degree at Metropolitan Community College or another approved training program
 - Apprenticeship or internship with an Avenue Scholars business partner
 - Straight to work with on-the-job training
- ✓ Continue to progress in your career plan through one-on-one coaching
- ✓ Participate in College Academy
- ✓ Secure and maintain work aligned aligned with your chosen career pathway
- ✓ If attending Metropolitan Community College, work with your assigned College Success Navigator.

**Your progress on your career plan will determine which postsecondary education/training options you may pursue.*

AFTER TRAINING, BEGIN YOUR CAREER
